

Wassup

108 SPEAKERS PROGRAM

BORN AND BRED IN WA FOR WA.

It's not just a speaker. It's a portable community asset.

1 WHAT IT IS

Wassup Community Services is working to place 108 portable JBL PartyBox On-The-Go 2 Plus speaker systems, each with two wireless microphones, with youth, community and Aboriginal organisations across Western Australia.

These speakers can be used for youth programs, community events, cultural activities, workshops, sport, music, gatherings and anything else that helps bring people together.

One speaker. Dozens of uses.
Real community value.

2 HOW WA CAN HELP

Everyone can be a part of the 108 Speakers Program.

Something as simple as donating eligible 10c containers can help fund the next speaker.

Individuals, households, workplaces, schools, clubs and community organisations can all help.

Donate eligible 10c containers

Use Wassup's C4C code

Share the program with your community

3 WHAT YOUR CONTAINERS HELP FUND

The JBL PartyBox On-The-Go 2 Plus is a portable speaker system with two wireless microphones, designed for strong sound, easy setup and practical community use.

Great for music, events, workshops, announcements and karaoke.

Portable

2 wireless mics

Community-ready

4 PROOF THAT IT WORKS

The idea has already been demonstrated through Speaker deliveries to Fitzroy Crossing, Denmark and Northam.

The first official 108 Speakers Program delivery has now gone to Mulan.

Local community support can create statewide impact.

FITZROY CROSSING • DENMARK •
NORTHAM • MULAN

5 WHO CAN GET INVOLVED?

Anyone. Anywhere in WA.

Individuals and households.
Workplaces and businesses.
Schools and sporting clubs.
Community organisations.
Recipient organisations.

Collect together, promote the program, share our C4C code or simply donate your own eligible containers.

6 DONATE USING OUR C4C CODE

Return eligible containers in Western Australia and use

Containers for Change Scheme ID:

C11616901

Prefer to donate directly?
Visit www.wassup.au

Get involved at
